

Resources —

Build Your First Productivity Assistant with OpenClaw

Thanks for watching the session! Here are a few resources that are particularly relevant to what we covered:

Session Files:

- [Session Repo \(GitHub\)](#)
- [Install OpenClaw](#)

Notes for attendees to follow along, you'll need:

- A gmail account you're willing to use (or optionally just use local files)
- A zapier trial account we will set up live (or skip with the local files)
