Microsoft 365 Copilot — Plans at a Glance

Copilot Chat — Free (included) for anyone with an eligible Microsoft 365 work account. You get secure, web-grounded AI chat plus Copilot in Outlook and the M365 Copilot app. Agent usage is available but billed on a metered basis.

Microsoft 365 Copilot Business — \$18/user/month (annual, promotional until 30 June 2026; standard price \$21). Monthly commitment option is \$25.20/user/month. For up to 300 users, requires a qualifying M365 Business plan. Adds Work IQ (AI grounded in your org's emails, meetings, and documents), Copilot fully embedded in Teams, Word, Excel, PowerPoint, and OneNote, plus pre-built agents (Researcher, Analyst, Facilitator) and the ability to build custom agents with Copilot Studio.

Microsoft 365 Copilot Enterprise — \$30/user/month (annual). Designed for larger organisations on enterprise M365 plans. Includes priority model access and the full enterprise compliance and analytics stack.

Copilot Studio — The low-code tool for building custom agents and automations. Priced by consumption: \$200/month for a pack of 25,000 Copilot Credits, with a pay-as-you-go meter option (no upfront commitment) and up to 20% savings on prepaid Commit Units. An Azure subscription is required.

All prices USD; business plan promotional pricing applies to the first year only.
